

## Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Cummersdale Parish Council**

### 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1 of the AGAR was completed as approved on 15/05/2023 with a minute reference '10/23(ii)'. Section 2 of the AGAR was dated as approved on the same day but with minute reference '10/23(i)'. On investigation (due to the minute references used appearing to show that Section 2 was approved before Section 1 which is the incorrect statutory order of approval), the minutes found on the Parish Council's website clearly show both Sections 1 and 2 were approved at the Parish Meeting held on 15 May 2023 and recorded as minute references '10/23(i)' and '10/23(ii)' but with Section 1 approved first.

As such, the minute references reflected on the AGAR are incorrect. We would expect this to be reflected in the council's response to Assertion 3 on the 2023-24 return and any future minute references to match back to the reference provided in those minutes.

Other matters not affecting our opinion which we draw to the attention of the authority:

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

On review we note that on the Internal Auditors report, the date the internal audit was undertaken was left blank when the documents were submitted to us. On review of the detailed internal audit report provided, we believe this is a human error on completion and we note that this has now been updated on the council's website.

### 3 External auditor certificate 2022/23
